

CAREER FIREFIGHTER OF THE YEAR

Firefighter/Technician Christopher Mullendore

Nominated by his supervisors, Technician Christopher Mullendore has proven to be a hardworking employee who goes above and beyond in all aspects of his job.

Technician Mullendore is described by his colleagues as the “most prepared Technician.” He is an excellent, hardworking leader with tremendous first-due area knowledge. He makes training a priority in every shift, and it is evident that he is prepared for any possible scenario.

Technician Mullendore specializes in every aspect of his job as a technician, a HazMat technician, and EMT. He leads his shifts through example and strives to ensure that the rest of the shift knows the area as well as he does.

Technician Mullendore shares his knowledge of engine pump operations with new drivers, and strives to ensure that each new driver is given every opportunity to be the best that they can be.

Additionally, Technician Mullendore proved himself academically in the most recent technician exam by finishing at the top of his class.

For all of these reasons, Technician Christopher Mullendore has been chosen as Firefighter of the Year. Congratulations Chris!
